

E&I Engineering Group Environmental Policy

E&I Engineering seeks to exceed the expectations of the industry standards using external benchmarking information to continue providing our customers with high quality products and services in ways that enhance the environment.

We aim to:

- Do all we can to comply with and where possible to better codes, consents and directives issued as Local, National and European directives.
- Conserve and protect the environment and wherever possible improve it through the services we provide
- Operate in a socially responsible manner
- Be fully prepared to cope with our operational emergencies that might affect the environment
- Train and develop all E& I Engineering employees to become more environmentally friendly

To achieve our aims, we will:

- Apply strict quality controls in all we do
- Seek to design, operate and maintain our equipment to the highest practicable standards in order to meet our environmental objectives
- Implement new technology to improve working practices
- Make our Policy Available Internally however if requested communicate externally to support queries and business opportunities.
- Develop accounting systems as a means of understanding our environmental impacts.

The Environmental Policy will be reviewed at timely intervals to monitor its effectiveness.

Signed:

January 2021
Managing Director.
