

Engineering Bursary Fund 2021

As part of our commitment to supporting the future engineering workforce, E+I Engineering intend to provide a bursary fund for students interested in pursuing a third level course in Electrical Engineering. The award will be £2,500 (€3000) each academic year to support 3 students in the 2021 enrollment to University.

E+I Engineering will also provide an Internship Programme where students can work in the Company during the summer or where work experience is required during their course.

THE CRITERIA

All applicants:

1. Must be resident in the North West Region
2. Must be accepted on a full degree course in Electrical Engineering in NI or ROI.
3. Applicants must be willing to commit to paid placement for a minimum of 4 weeks each summer during their degree programme.
4. Applicants must complete their Industrial placement at E+I Engineering (where applicable)

Applications can be made by completing the attached application form by **Friday 30th July 2021**, this should be submitted to:

HR Department (ref: Bursary Fund)
E+I Engineering Ltd.
Ballyderowen
Burnfoot
Co. Donegal

Or emailed to Sharon Long (Snr HR Officer) - sharon.long@e-i-eng.com
